## What I say unto You, I say unto All, Watch!

— Jesus

In the days in which we live it is difficult not to think about the Lord's imminent return. While every generation of believers lived with the blessed hope of his return (Titus 2:13), our present generation certainly has reason to believe we are nearing our Lord's second coming.

We would do well to take heed to our Lord who says, "What I say unto you, I say unto all, Watch" (Mark 13:37). Of course, we watch by staying spiritually alert and living a life of faithful obedience to Christ.

Without question, Israel remains a sign to the world today. I would encourage you to read Jeremiah chapter thirty and pay close attention to verses ten and eleven.

Clearly the Lord has a plan for Israel, but his plan cannot commence until the rapture of the church occurs. As the world marches toward the time of Jacob's trouble we are compelled to watch for his sudden coming for the church. Amen, even so come Lord Jesus!
