The Resurrection Answers Every Question

The bodily resurrection of Jesus from the dead is a historical fact. His resurrection was confirmed by irrefutable eyewitness accounts sufficient to settle the matter beyond any reasonable doubt (1 Cor. 15:1-8).

Of course if Jesus rose from the dead the most pressing questions facing mankind are answered. Are we the special creation of a personal God who loves us? Can we have peace with God and the assurance of eternal life? Can we live with a deep sense of purpose and meaning? Can we know the truth in an age of great deception in which many flounder in a sea of false spirituality?

The resurrection of Jesus Christ from the dead answers these questions with a resounding "yes!"

The resurrection declares Jesus to be the Son of God with power (Romans 1:4). The bodily resurrection of Jesus confirms his identity as the Son of God. As the Son of God he is eternally our Creator and Redeemer. Furthermore, his redemptive work on our behalf is confirmed by his resurrection as he was raised for our justification.

Thus, knowing the risen Christ settles the answers to the major questions that trouble the souls of men. Furthermore, we find lasting hope in the truth he has abolished death!

So let us rejoice as we gaze into the empty tomb. Indeed, because he lives we shall live also! Amen!
